Welcome

Dearly Beloved Brethren,

Calvary greetings to you all in the most powerful name of our Lord and Saviour Jesus Christ.

We really thank God for His wonderful presence in the midst of us. To Him alone be all the glory. The month of August has been a tremendous one with divers of testimonies in every aspect both in the life of individual members of the Church and the Ministry at large. We had amazing testimonies from many of our Graduating Students from the University who came out in flying colours in the just past Academic Year 2008/2009. To God be all the glory.

The greatest miracle is the opening of the spiritual eyes of any man to know his Maker. We thank God for those who came to the realisation of their deadness to God and the readiness to invite the person Of the Lord Jesus Christ into their lives as Lord and Saviour. These we experiences both in Berkshire and Northants branches of CALM, and our desires is to see more and more of this every single day in Jesus name, just as it was in the book of **Acts 2 :47** “praising God and having favour with all the people. And the Lord added to the church daily those who were being saved”

Romans 1:16 For I am not ashamed of the gospel: for it is the **power** of God **unto salvation** to every one that believeth; to the Jew first, and also to the Greek. This is the mandate that God has given us; always to make this power known to all Nations of the World and this Power is all wrapped up in the Gospel of the Kingdom of God. Our prayer is that (just like the children of Israel in Goshen), we shall always be fruitful, and increase abundantly, multiply, and grow exceedingly mighty (in every areas of life), until the land shall be filled with us, i.e God's Kingdom People.

Teaching

God has been talking to us so much on our profession as believers. We are made to understand that we believers are called unto the profession of confession. We enter into the Kingdom through the acknowledging and receiving Jesus Christ as our Lord and Saviour.

The scriptures says in **Romans 10:9-10** "Because if you confess the Lord Jesus, and believe in your heart that God has raised Him from *the* dead, you shall be saved. For with *the* heart *one* believes unto righteousness, and with *the* mouth *one* **confesses** unto salvation".

So, we see that right from salvation level, which is the entry point to the Kingdom, our profession of the confession of the Word of faith takes off from here.

Take note of these scriptures :

1Timothy 6:12 "Fight the good fight of faith. Lay hold on eternal life, to which you are also called and have professed a good profession before many witnesses" - We are called to the profession

Hebrews 3:1 "Therefore, holy brothers, called *to be* partakers of the heavenly *calling*, consider the Apostle and High Priest of our profession, Christ Jesus," - Jesus Christ Himself is the Apostle of our profession

Hebrews 10:23 "Let us hold fast the profession of *our* faith without wavering (for He is faithful who promised)" - We've got to hold tight to this profession of ours

Hebrews 4 : 14 "Since then we have a great High Priest who has passed into the heavens, Jesus the Son of God, let us hold fast *our* profession". We are enjoined here again to hold fast unto this profession unto which we are called.

Events In August

Our major event in the month of August was the Knowing Him Annual Conference held at the Frontier Centre, Irthlingborough between the 14th - 16th August 2009.

It was an event that many will never forget to keep testifying to the goodness of the Lord in their lives. It was indeed a time of Knowing the Lord in ways we have never known Him before. We thank God for the Guest

Speakers (Pastors Bob, Larai, Samson and Sister Ekene.) that spoke at the conference as they were indeed prepared by God to feed us with the right Word of truth. We also give praise to God for the wonderful Praise/Worship Team from Kings Church, Higham Ferrars . It was such a great blessings having Bro Steve and Sister Camille at the weekend event.

We also give praise to God for the life of Reading CALM Resident Pastor Celina Adeyemi for her tireless effort to see to the success of the Conference.

Below are just excerpts of Testimonies from few out of our brethren who were at the conference. It was such an awesome weekend.

Testimonies From The August" Knowing Him" Conference held at The Frontier Centre, Irthlingborough , Northants :

Bro Nick :- The conference taught me about God's undiluted truth. It highlighted how far we really were from God's perfect standards. It scared me that some of the unknowns could keep people from eternal life.

We also need to read the bible with fresh eyes and take EVERYTHING seriously. Not trivialise the bits we think are impossible. There is a broad way that leads to destruction and a narrow way that leads to life - but few find it. Few indeed.

Bro Joseph : After the conference I now have a different perspective towards life which is the eternal perspective. And it caused me to want to seek God more so that I may understand the purpose for which I was created so that I can fulfil my eternal destiny.

Bro Sokari : The conference changed my way of thinking. It made me realize that to truly walk with God, you need to completely surrender yourself to Him. It also improved my understanding on the concept of marriage. I now know that when two people are married, they become one and there is no room for divorce no matter what.

Sister Naomi : Going to the Conference in Northants has affected various parts of my life. The confrence really made me more aware of my relationship with God. Also i never used to bother about evolution because i say to my self "i believe in God and that's all that matters". But the evolution workshop showed me that there was a lot to learn about evolution, and i learnt how to answer people when they ask me about how we humans came to be and finally, it helps strengthen my belief in God.

Sister Amaka : I had the opportunity of chatting with one of the Speakers at the Frontiers Conference Centre in the person of Sister Ekene, and through the conversation i had with her, i was able to learn and to come to the realisation that it is possible to really live a life of total submission to God even in this generation of ours as it was in the times of men of old like Abraham etc.

Sister Pamela : After having been to the August 14th – 16th Conference at the Frontier Centre, i now came to the Biblical truth that Marriage is for life (as long as we are here on earth), hence, i've learnt that i have to play my part to make it to work, because its now clear to me that there is no 'Plan B'

Bro Tonye : It was a graduation ceremony in my Christian life which has brought about a deeper hunger for serving God. It was my first conference, but i can't wait for the next.

Sister Natha : At the conference, I was given a chance to consider my thoughts on evolution. The ideas and arguments against were a lot stronger than I previously assumed. And I have had to strongly rethink all my past beliefs of science and this is what i most gained from the conference.

We are definitely at the end times, and truly, this is the time of great harvest and hence there is the great demand for Labourers. We thank God for the Labourers He is raising up for the work and even for more He will yet raise up. We therefore solicit for your support in anyway you can, to see to the extension, expansion and enlargement of this work of the Ministry. We earnestly desire your prayer support, financial support, moral support*

and if God is leading you to be a labourer in terms of being a Missionary etc in the Ministry, we would like to hear from you soon.
